COMBINE:

$\frac{1}{2}$ c mixed ash and salt
dash of irritation
pinch of sand
hair

BUT NOT TOO MUCH IRRITATION!

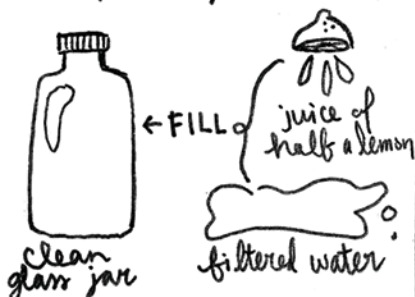

otherwise...

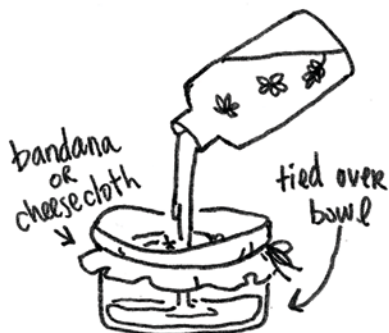

...oops.

power water

Prepare your vessel as a full moon rises:

Wake up BEFORE sunrise and strain water

Store in jar in a cool, dark, dry place.

Use as desired — face wash, cleaner, drinking, ????

Keeps up to one month, until the next full moon.

invisibility

Stay in the shadows

Silence can be Revealing

Try a monotone hum to
create white noise

Avoid patterns and
bright colors

In fact, avoid clothes
completely

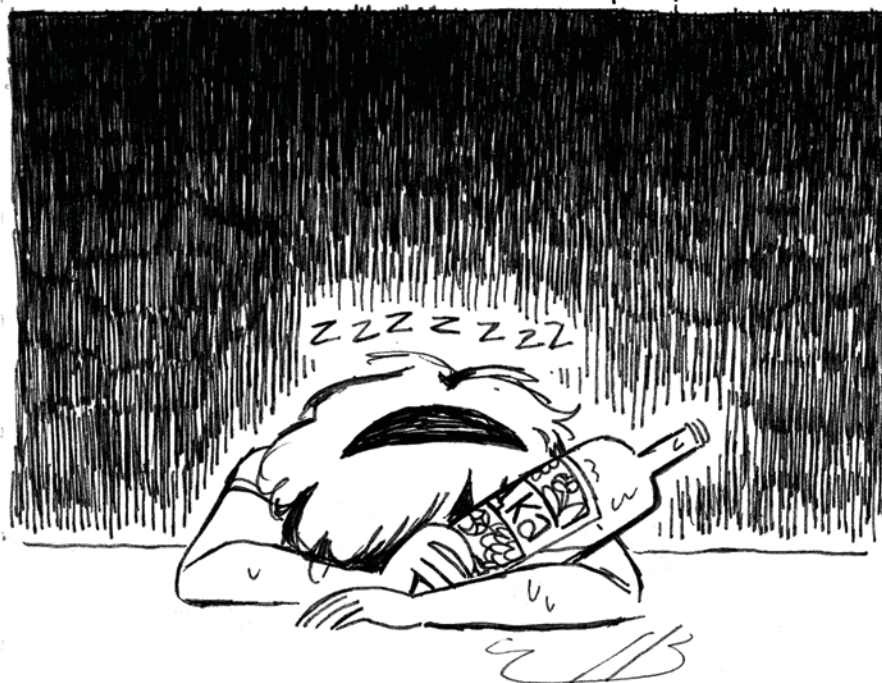

embarrassment

one bottle vodka

one cup (optional)

LIQUOR SOLVES EVERYTHING

hangover

HAIR of the DOG

dreams

Take an object related to what you want to dream about

Now take a new perfume or essential oil - nothing you already wear or use

Rub a dab on the object to "dedicate" it

Wear the perfume all day. Every time you smell it, think of your subject.

At night, SPRITZ your pillow with the perfume and place the object underneath.

Now sleep, and dream...

friendship

~THERE IS NO SPELL TO MAKE SOMEONE LIKE YOU.~
That said, this may help strengthen OR kindle a relationship.

YOU NEED:

1/2 teaspoon
baking soda

1/2 teaspoon
salt

1 teaspoon
vanilla

one egg

one half cup (one
stick) butter

3/4 cup brown sugar

1 cup chocolate chips

Mix raw materials together,
form into 1" balls and
bake 9-11 min @ 375°

Gather two cups you like
and a container of milk

Real milk, soy milk, whatever—
it symbolizes a life-giving,
nourishing beverage. ♡

Last is the hardest part— you must go to this
person and invite them to share with you.

kitchen witchery

Kitchen witchery is easy. With magical herbs and ingredients you can make anything!

Whoops! Burned your materials Better make sure you replace them right away!

Magic! As if food appeared out of nowhere! Kitchen witchery

Oh, shut up. This is my comic.
